

**GRIPPER
GASKET™**

March 4, 2016

Subject: American Iron and Steel (Buy American) Compliant Products

To our Valued Customer,

All iron and steel found in the gaskets produced by Gripper Gasket LLC meet the American Iron and Steel requirements set forth in Public Law 113-76 – Continuing Appropriations Act, 2014.

For current, specific information concerning the requirements for submitting quotes, products and pricing for projects requiring “American Iron and Steel” (Buy American) Certification, visit the U.S. Environmental Protection Agency site at this page:
