RE: MAXADAPTOR® American Iron & Steel Act (AIS) Compliance

Affidavit of Compliance

This document certifies that MAXADAPTOR® Couplings distributed by Gripper Gasket are not required to meet the requirements of the Consolidated Appropriations Act, 2014, H.R. 3547.ENR. use of American iron and steel, section 436.

These couplings are manufactured using reinforced nylon, rubber and stainless steel materials. The stainless steel portion of the couplings represent less than 50% of the total construction and cost associated with the manufacturing of the coupling.

Best regards,
